

1. **Specification:** DIN 965
2. **Thread Diameter + Pitch:** M3.5X0.6
3. **Overall Length:** 10mm
4. **Thread Amount:** Full Thread
5. **Material:** Class 4.8 Steel
6. **Finish:** Zinc Plated
7. **Head Diameter:** 6.5mm
8. **Head Height:** 2mm
9. **Drive:** H2 / Phillips #2
10. **Type Screw/Bolt:** Flat Head Bolt/Screw
11. **Thread Direction:** Right Hand
12. **Measurement System:** Metric

|                                                                                                                                                                                                                                                                                                    |                     |                                                                                                                                                                                       |                   |
